

Two Man System

Lead Official

- Coverage is baseline to corner opposite Trail Official
- Don't stand in one place ... MOVE !
- Always position self to observe outside in
- Don't watch flight of ball during field goal attempt or free throw
- Boundary responsibilities are baseline & near sideline
- Help out on press or backcourt defensive pressure
- Do not mirror Lead on successful 3 point goals

Trail Official

- Stay behind dribbler when coming up court
- Drop down toward baseline when necessary
- Don't be afraid to get beat back
- Alternate hands when changing closely guarded count
- During FTs, beckon new players onto court only on 2 of 2 or 3 of 3 or first of bonus
- Mirror Lead on successful 3 point goals
- When counting 10 second back court , use hand closest to table

Lead & Trail Officials

- Always communicate clearly to your partner every time you blow your whistle
- Always blow your whistle sharply
- Be focused on watching off ball when ball is outside your primary area
- When reporting foul, partner should keep eyes on all players
- Be observant of A/P arrow status
- Don't run through players when reporting fouls

Mechanics Review

- Mechanics for inbound ball
- Mechanics for time outs
