CCS BYLAWS, ARTICLE VII SPORTSMANSHIP
SECTION 2 PLAYERS EJECTED FROM CONTEST

- (a) In all contests prior to CCS Playoffs, any player ejected from a contest for unsportsmanlike behavior will be disqualified from participating for a minimum of one contest, with such disqualification taking effect at the team's next contest. If the contest from which the player was ejected is the last contest of the year for that team, the above-stated disqualification would carry over to that team's first (1st) regularly scheduled league contest the following year.

Any such player who participates in the next contest following his/her ejection will be treated as an ineligible player for that contest.

Any player may appeal the disqualification to his/her respective League. Each League shall establish appellate procedures pertaining to the eligibility of student-athletes who are ejected from an interscholastic contest.

- (b) Any player ejected from any CCS Play-off contest because of flagrant misconduct or unsportsmanlike behavior shall be excluded from participating in the remainder of the playoff contests in that sport during that season. Official(s) ejecting the player will automatically be required to submit a written report to the CCS Commissioner.

Any school principal may appeal the disqualification to the CCS Commissioner if they believe that the student was ejected due to an error in identification or do not believe the student was ejected as a result of flagrant misconduct or unsportsmanlike behavior. The CCS Commissioner, in conjunction with the League Commissioner for that school, shall review the case and make a final determination.

SECTION 3. COACHES EJECTED FROM CONTEST

- (a) In all contests prior to CCS Play-offs, any coach ejected from a contest for unsportsmanlike behavior will be disqualified from any coaching activities for a minimum of one contest, with such disqualification taking effect at the team's next contest. If the contest from which the coach was ejected is the last contest of the year for that team, the above-stated disqualification would carry over to that team's first (1st) regularly scheduled league contest the following year.

Any such coach who engages in any coaching activity in the next contest following his/her ejection will be referred to his/her League for disciplinary action, and the contest in which his/her team competed will be subject to forfeiture.

Any coach may appeal the disqualification to his/her respective League. Each League shall establish appellate procedures pertaining to coaches who are ejected from an interscholastic contest.

- (b) Any coach ejected from any CCS Play-off contest because of flagrant misconduct or unsportsmanlike behavior shall be excluded from participating in the remainder of the playoff contests in that sport during that season. Official(s) ejecting the coach will automatically be required to submit a written report to the CCS Commissioner.

CIF BYLAW 522. PHYSICAL ASSAULT

Any student who physically assaults the person of a game or event official shall be banned from interscholastic athletics for the remainder of the student's eligibility. A game or event official is defined as a referee, umpire or any other official assigned to interpret or enforce rules of competition at an event or contest. A student may, after a lapse of 18 calendar months from the date of incident, apply for reinstatement of eligibility to the State Executive Director.

INCIDENTS OCCURRING IN VIOLATION OF THESE BYLAWS OR GENERALLY ACCEPTED
STANDARDS OF SPORTSMANLIKE BEHAVIOR IN ANY CCS HIGH SCHOOL CONTEST
(pre-season, scrimmage, league games, CCS Playoffs)

MUST BE REPORTED AND SUBMITTED TO THE CCS IMMEDIATELY BY THE
